**2011 - 2012 Remuneration Survey Questions**

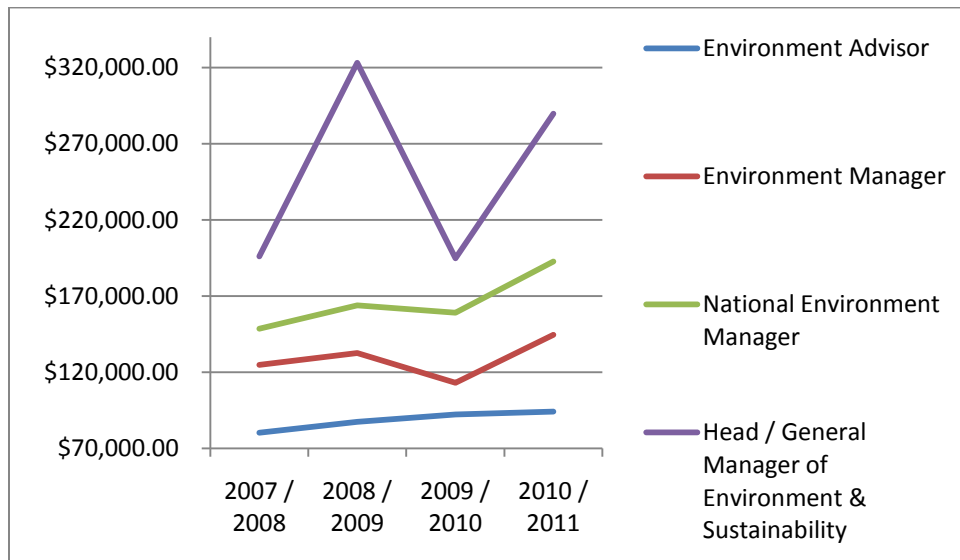

In anticipation of the results for the 2011/2012 Remuneration Survey, SafeSearch in association with EnviroSearchGlobal have compiled a number of historical five-year trend graphs that provide insights on some key remuneration trends that have occurred across the states since 2006.

The below graphs represent the historical average of Total Actual Remuneration since 2006 for Safety and Environment roles

**OHS/HSE Position by Average Total Annual Remuneration**

**Environment Position by Average Total Annual Remuneration**

**We will rely on your data input to see what is reflected in 2011/2012.....**
